

## Environmental Commitments

**ELESYS IS COMMITTED** to operating our business in a manner that protects and enhances the environment and the health and safety of the communities in which we live and work.

**ELESYS IS COMMITTED** to complying with all applicable environmental laws and regulations and to maintaining and continually improving our environmental management system to meet or exceed our compliance obligations.

**ELESYS IS COMMITTED** to supporting our employees in meeting their environmental obligations by providing them with necessary resources and appropriate training.

**ELESYS IS COMMITTED** to preventing incidents at our operations and to responding swiftly and effectively to protect our employees, neighbors, and the environment in order to mitigate any adverse affects on the same should an incident occur.

**ELESYS IS COMMITTED** to integrating environmental considerations into our business.

**ELESYS IS COMMITTED** to evaluation of environmental performance through regular reviews and audits.

**ELESYS IS COMMITTED** to participating with government agencies in their evaluations and recommendations for improving our environmental management system.
